REGISTRY  
Equip + Supplies

The Honorable William J. Casey  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Mr. Casey:

As part of its oversight of the information activities of the Federal government, the Government Information and Individual Rights Subcommittee is initiating an inquiry into the production and distribution of audio-visual materials by Federal agencies. We request a detailed list of the budgeted or intended production and distribution of audio-visual materials (including motion pictures, video-tapes, film strips, slide shows or any related materials) by your agency or any of its components in Fiscal 1982. For each project, please supply a description of the production, its intended audience and use, its total cost, and a list of any previous production on the same or a directly related topic. Also, please provide a breakdown of the portion of total cost for each project allocated to agency expenses, contract payments, or grants. Finally, the budget item under which funds were appropriated for each project should be identified.

The Subcommittee would appreciate your response before July 15. Should you decide to add, delete, or modify projects after you forward your list to the Subcommittee, please inform us at the time of your decision. If you have any questions, contact Christopher Vizas, Subcommittee counsel, at 225-3741.

Cordially,

  
Glenn English  
Chairman
